DECEMBER 6TH - 10TH

EL MONTE MIDDLE SCHOOL

Friday Focus

LOBO YOUTH CONFERENCE

Another successful week at El Monte and this week ended with our first ever Lobo Youth Conference! This week we also welcome our new LVN Natassia Gonzales. We are excited to have Mrs. Gonzales on campus with us making sure our students stay healthy through the school year.

Our first ever Lobo Youth Conference took place today. over the last six weeks, lots of preparation went into ensuring that students were able to participate in a very special day full of skills needed to help students feel empowered, and connected to their peers, school staff and school. Students heard a powerful keynote from Mr. Rodgriuez, OHS AP, then participated in breakout sessions throughout the day. Students and staff enjoyed a pizza lunch followed by fun games to finish out their experience. Thank you to Ms. Gonzalez, Ms. Marroquin, Ms. Mendoza, Mr. Munoz, and Ms. Vitela for putting together an outstanding conference. Additional thanks to Community for Youth for your sponsorship!

Mrs. Tumacder

- Ugly Sweater Day

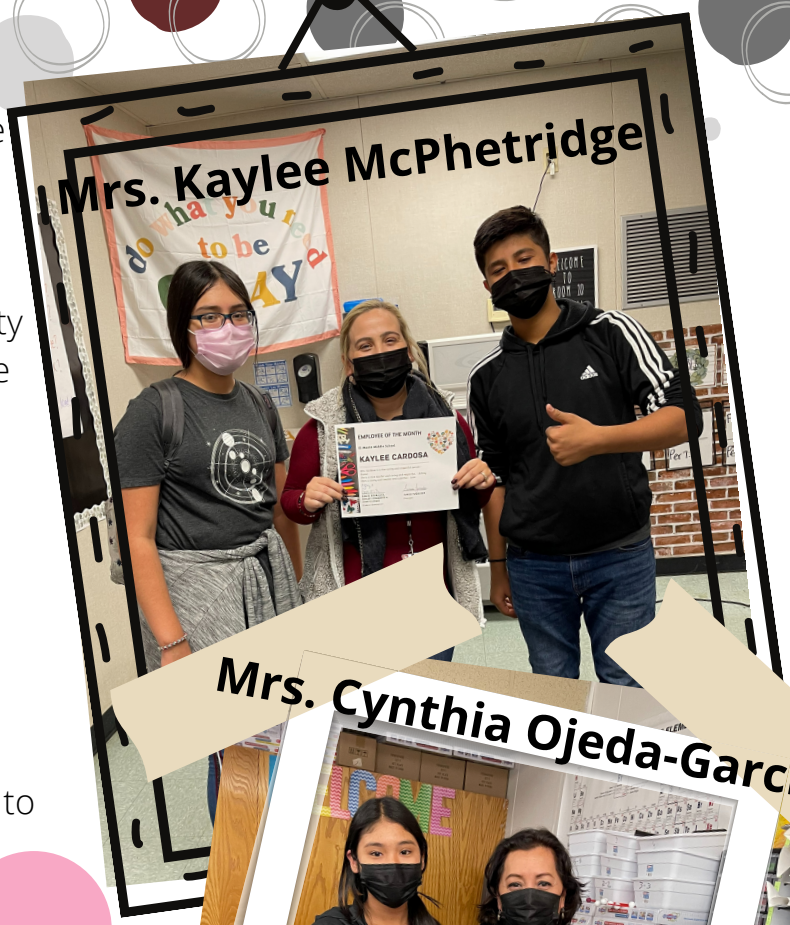
Friday 12/17
- Pajama Day
- Virtual Talent Show
- Semester Grades Due

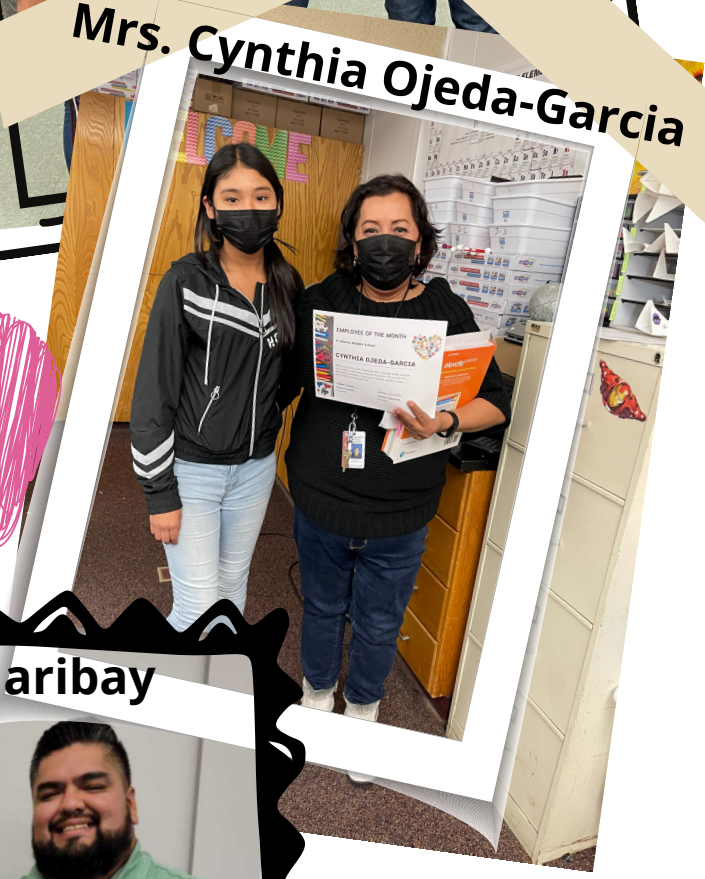
Lobos Lead

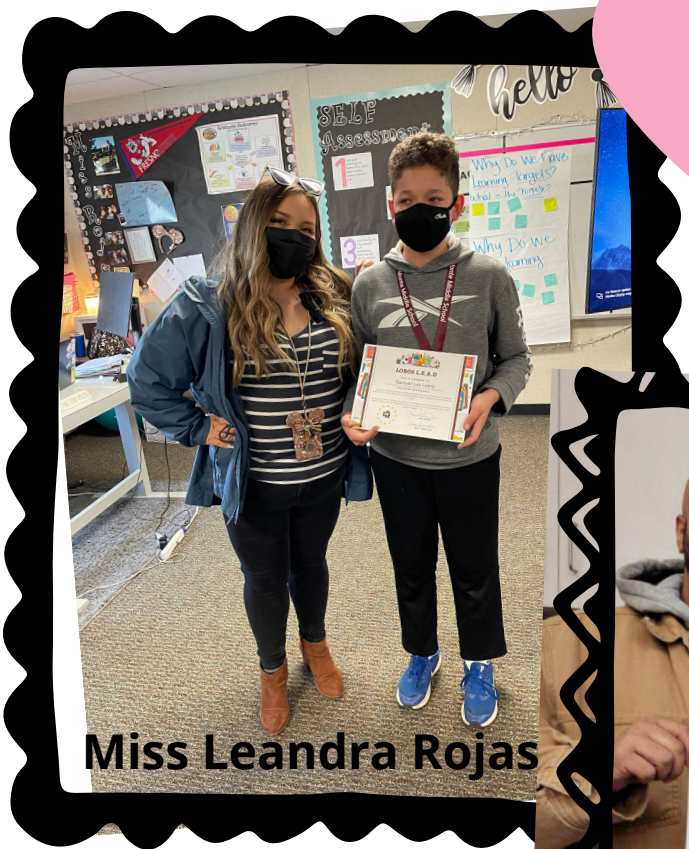
Mrs. Pennebaker and her Intro to Ag class took a field trip to Ag Discovery Leadership Conference on Friday. Students extracted DNA from strawberries, built cellphone holders with PVC pipes, and had to solve problems using teamwork and communication. Students did a great job and represented El Monte with pride! Thank you, Mrs. Pennebaker and Mrs. Lisa Castillo for making this trip possible!

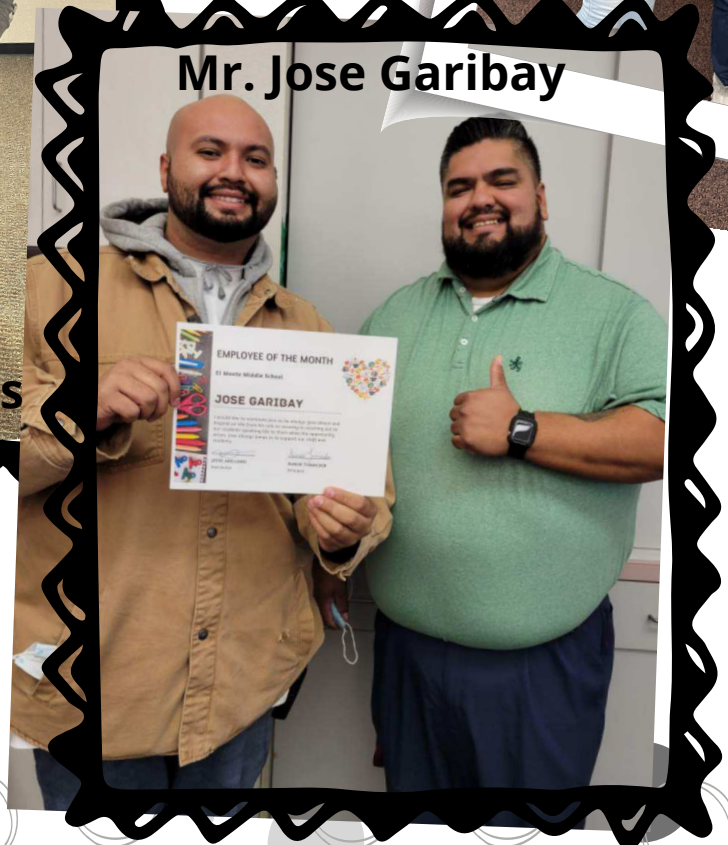
INTRO TO AG

In classrooms, students started to complete semester benchmarks, and around campus, students are being Lobo Leaders by picking up trash around campus in efforts to keep our campus clean. Students also had the opportunity to nominate a staff member for recognition! We had so many staff members to recognize, but here are a few pictures we had the chance to capture!

Many thanks to everyone who subbed in classrooms during your prep this week. I am grateful for your commitment to our team and our students.








Also thank you to Ms. Marroquin and Mr. Munoz who presented Academic Presentations to 6th-grade students.
