

El Monte Middle School

2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Contact Information

School Name	El Monte Middle School
Street	42111 Rd 128
City, State, Zip	Orosi, CA 93647
Phone Number	559-528-3017
Principal	Mrs. Sunsie Tumacder
Email Address	sutumacder@cojUSD.org
School Website	http://elm.cojUSD.org/
County-District-School (CDS) Code	54718606118111

2022-23 District Contact Information

District Name	Cutler-Orosi Joint Unified School District
Phone Number	559-528-4763
Superintendent	Yolanda Valdez
Email Address	yvaldez@cojUSD.org
District Website Address	www.cojUSD.org

2022-23 School Overview

El Monte Middle School is in Orosi, California, and is nestled near the base of the Sequoia National Park and Kings Canyon National Park. El Monte Middle School campus covers over one million square feet of classrooms, soccer fields, basketball courts, baseball and softball fields. El Monte Middle School is home to approximately 925 students in grades 6, 7, and 8. The staff at El Monte is committed to meeting the instructional, social-emotional, and behavior needs of every student via research-informed best practices, high-quality instructional strategies, online educational programs, and traditional instructional classroom environments. Teachers embrace this commitment by providing the GIFT: Great Instruction the First Time. All departments engage in weekly data analysis where students' academic growth is monitored and instructional planning takes place. Our goal is to increase reading comprehension and provide instruction that truly meets the needs of all students. El Monte Middle School continues to have high expectations for students by providing high-quality instruction, setting grade level performance expectations, and by enforcing school-wide eligibility for extracurricular events. We will continue to promote high academic expectations and offer incentives for students who meet eligibility. All students have an opportunity to participate in an extra or co-curricular activity that extends beyond the classroom. El Monte Middle School's motto "Lobos LEAD" is a constant reminder to Lead, Engage, Accept Everyone and be Dependable. Our forward-thinking team of educators understand that this belief begins with us.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown						
Total Teaching Positions						

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown						
Total Teaching Positions						

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

School Facility Conditions and Planned Improvements

At El Monte Middle School, we strive to provide students with a school environment that is safe, clean, and well-maintained. El Monte currently has four campus security personnel who provide supervision throughout the day. In addition, it is an expectation that teachers provide additional supervision during passing period. Campus custodians work diligently to ensure facilities are clean and in good repair. At El Monte Middle School, we understand that the condition of our school facilities directly affects the culture and climate of our campus. Facilities are regularly inspected to guarantee that the cleanliness and overall functionality are exemplary. Alarm systems are updated and regularly checked. Each classroom has been equipped with a projector, document camera, and a voice amplifier system.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A		N/A		N/A	
Mathematics (grades 3-8 and 11)	N/A		N/A		N/A	

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students					
Female					
Male					
American Indian or Alaska Native					
Asian					
Black or African American					
Filipino					
Hispanic or Latino					
Native Hawaiian or Pacific Islander					
Two or More Races					
White					
English Learners					
Foster Youth					
Homeless					
Military					
Socioeconomically Disadvantaged					
Students Receiving Migrant Education Services					
Students with Disabilities					

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students					
Female					
Male					
American Indian or Alaska Native					
Asian					
Black or African American

Military					
Socioeconomically Disadvantaged					
Students Receiving Migrant Education Services					
Students with Disabilities					

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

For any 2020–21 data cells with N/T values indicate that this school did not test students using the CAASPP for Science.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
Science (grades 5, 8 and high school)						

2021-22 CAASPP Test Results in Science by Student Group

This table displays CAASPP test results in Science by student group for students grades five, eight, and High School. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students					
Female					
Male					
American Indian or Alaska Native					
Asian					
Black or African American					
Filipino					
Hispanic or Latino					
Native Hawaiian or Pacific Islander					
Two or More Races					
White

Foster Youth					
Homeless					
Military					
Socioeconomically Disadvantaged					
Students Receiving Migrant Education Services					
Students with Disabilities					

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 7	100%	97%	100%	95%	100%

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Parents and families of El Monte students are welcomed and encouraged to participate in school functions. There are multiple opportunities for parents to be involved in school. Parents are invited to eat breakfast or lunch with their child each month through Parents and Pastries or Lobo Lunch events. During these events, the administration provides training to parents on attendance and eligibility requirements. English Learner Advisory Committee (ELAC), Student Site Council (SSC) committee, Parent Training Programs (Parenting Partners), Pathways, and Academy Informational Meetings are some of the current opportunities for parents to stay involved. In the ELAC committee parents assist in the decision-making of the academic opportunities that best support the needs of English Language Learners. This committee, like SSC, meets to hear about the District's and schools' plans as well as to work in partnership with the school when planning school-wide events and initiatives to support the educational experience for all students. The school's SSC committee similarly directs its efforts to the entirety of the school. Like the ELAC team, SSC utilizes parent input to make decisions that directly impact students at the school. Other opportunities for parental involvement are provided through student programs such as Rural Education for Americans Project (REAP) and elective classes where parents participate in parent meetings, parent training, and/or other events that further support their student's academic endeavors. Finally, parent conferences and back-to-school nights also provide parents additional opportunities to stay engaged with the school and their child's education. Parents can communicate with teachers through the Remind app and are invited into Google Classroom.

2021-22 Chronic Absenteeism by Student Group

Student Group	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate
All Students				
Female				
Male				
American Indian or Alaska Native				
Asian

Students with Disabilities				

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions			
Expulsions			

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22

Socioeconomically Disadvantaged		
Students Receiving Migrant Education Services		
Students with Disabilities		

2022-23 School Safety Plan

Safety Plan

Student and staff safety is of the highest priority at El Monte Middle School. One of the ways that the school ensures safety for all students and staff is by having a comprehensive safety plan, Safety Goals and Objectives, that is reviewed by the Cutler-Orosi Safety Committee at the monthly safety meeting; however, the plan is revisited throughout the year if incidents arise District-Wide in order to be proactive. Yearly, all staff is provided safety training and every staff member is required to take part in an online safety program to ensure that safety expectations are met.

The El Monte Middle School goals are as follows for the 2022-2023 school year:

Goal #1- El Monte Middle School will increase its attendance rate to 95%. In an effort to reach this goal, the school is providing incentives through PBIS (Positive Behavior Interventions and Supports) for rewards, such as an end-of-year field trip for students meeting 98% rate, and by funding Saturday School. The school's attendance clerk also communicates with all parents whose child is not meeting the attendance goal. A school-wide eligibility report is ran bi-weekly through Aeries Student Information System, with student/parent letters provided to students who are under 95% attendance rate. Through the use of the SSICA application, student IDs will be scanned at extra-curricular activities to determine student eligibility at school functions.

Goal #2- El Monte Middle School will lower the number of suspensions by 50% when compared to the 2021-2022 school year. This goal will be accomplished at El Monte by having monthly site meetings to review/analyze data and determine alternatives to suspensions based on needs. Daily monitoring of student referrals and weekly administration review of behavior trends helps to analyze behavior and the need for intervention. The School Site Council and district stakeholders also agreed to pay for additional campus security personnel to manage the after-school behavior detention.

El Monte is committed to increase social-emotional awareness via the Second Step Curriculum by 50% (pre/post measurement). Now that students have returned to campus, we recognize and have updated our current systems to support the social-emotional needs of our students. Students participate in weekly Second Step lessons through their homeroom class focusing on social-emotional skills. Students are taught skills to help transform their lives by using relatable situations and coping skills to change their mindset. Students are also able to connect with our psychologist and social worker for any mental health services. In addition, we have added a Learning Loss Counselor, a Learning Loss Learning Director and a new Student Advocate that will monitor and work to mitigate learning loss.

2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics				
Science				
Social Science				

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics				
Science				
Social Science				

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics				
Science				
Social Science				

2021-22 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	

2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Beginning Teacher Salary		
Mid-Range Teacher Salary		
Highest Teacher Salary		
Average Principal Salary (Elementary)		
Average Principal Salary (Middle)		
Average Principal Salary (High)		
Superintendent Salary		
Percent of Budget for Teacher Salaries		
Percent of Budget for Administrative Salaries		

Professional Development

Professional Learning

El Monte Middle School provides teachers with monthly extended professional learning and afterschool opportunities. As El Monte continues to focus on serving the whole student, departments are involved in book studies that support the effect size of the strategies we are implementing on a daily basis. Professional learning is delivered by site administration and the site instructional coaches and leads. At these monthly extended professional learning days, teachers are provided with 1 hour of learning, followed by an hour of application of the skills taught. This application time is comprised of teachers unpacking standards, developing learning and language targets, reassessing their pacing while collaborating with other teachers to meet the needs of our students. These learning opportunities are planned and determined based on assessment data that teachers analyze weekly through a learning log. Professional learning is supported by daily classroom visits by site administration to determine if the skill set learned is being utilized to its fullest intent. More so, professional learning communities are centered around the new learning and foster an environment where colleagues hold each other accountable for applying new knowledge. Teachers are supported through the implementation of the professional learning they receive through coaching cycles with our academic coach and feedback provided by administration.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2020-21	2021-22	2022-23
