El Monte Middle School
FRIDAY FOCUS

August 15th - 19th

PRINCIPAL'S NOTE

What an awesome second week of school for our Lobos! Our counseling team, went into 6th through 8th-grade science classrooms to discuss academic expectations for the school year. Students learned about eligibility requirements and ways to accelerate their future success. Students learned that they have the option of taking Spanish 1 and 2 and Math 1 all before starting their journey at Orosi High School. Thank you to Mrs. Campos & Ms. Marroquin for preparing our students!

We also had a great Williams visit with zero findings. Thank you, Team! We could only make that happen with the support of our amazing staff! Thank you, teachers, maintenance, and support staff.

I loved walking classrooms this week to find engaging activities in all content areas. Shoutout to our PE department for designing awesome circuit activities for students. Your collaboration and creative ways to engage students to make learning fun!

Sunsie Tumacder

ATTENTION

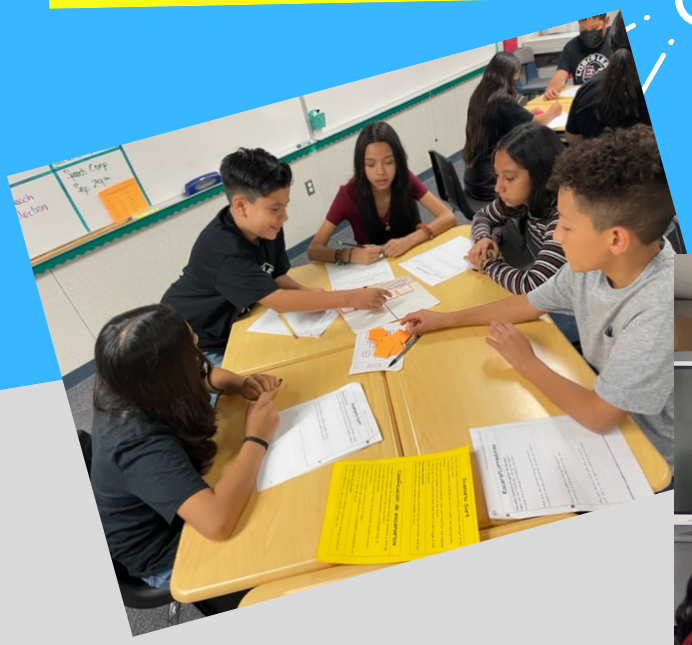
SET A TIMER FOR 25 MINUTES

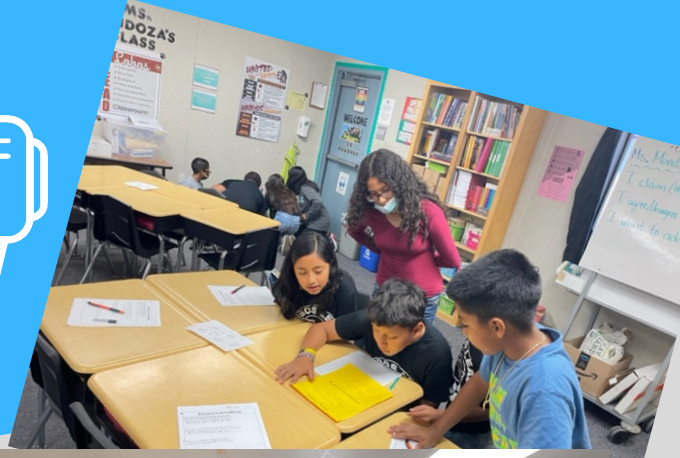
STEP 3
WORK ON THE TASK UNTIL TIMER BEEPS

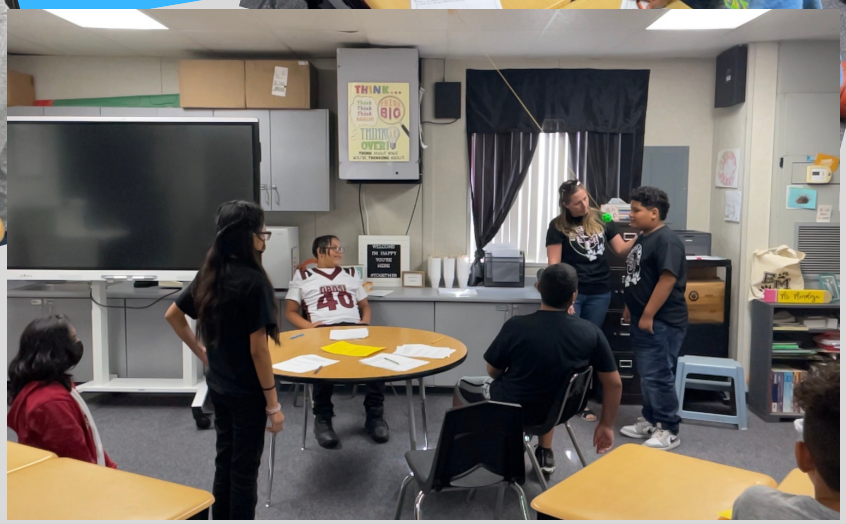
STEP 4
TAKE A SHORT BREAK OF 3-5 MIN

STEP 5
REPEAT THE CYCLE 4 TIMES
TAKE A LONGER BREAK AFTER 4 SESSIONS

POWERFUL COMMUNICATORS







THIS WEEK IN 6TH GRADE, OUR SCIENCE STUDENTS EXPLORED ENERGY AND MATTER USING VARIOUS LABS. THEY INVESTIGATED THE DIFFERENCE IN MOVEMENT OF WARM AND COLD MOLECULES, AND EXPLORED THE DIFFERENCE BETWEEN POTENTIAL AND KINETIC ENERGY USING LABS AND READING ACTIVITIES.
