EL MONTE MIDDLE SCHOOL

Friday Focus

Time sure does fly when you are having fun! Our first Spirit week, brought out SPIRIT for both students and staff! We want to thank Mr. Velasco and the Leadership students for the great music and activities during lunch daily! On Monday students and staff wore Sports Jerseys. Tuesday we wore hats and on Wednesday students and staff wore college gear! Thursday was color wars day. We saw sixth-graders wearing gray, a lot of seventh-grade students in black, and our eighth-graders in white. We ended our Spirit week with an awesome dance on the basketball courts outside.

Spirit Week

Coaches' Collective

Students in 6th grade ELA are working on literacy standards through a novel study of the book Percy Jackson & the Olympians: The Lightning Thief. To prompt students to use metacognitive strategies that will help them express their learning and explain their thinking as they read each chapter, students in Miss Altamirano's class use the "I Notice/I Wonder" strategy.
