

El Monte Middle School Friday Focus

Every Student, Every Day, Find A Way ~ FAILURE Is Not An Option!

Principal Message – This past week we had a phenomenal open house! Parents were extremely happy to come and meet their students teacher. Mr. Moreno did an amazing job conducting the Title 1 meeting and Mr. Alvarez and Ms. Gonzalez presented the Reap information. Parents were able to go visit classrooms and purchase food from local vendors. Parents then came back to the cafeteria for Mrs. Valdez’s Superintendent forum. To top off the night we had our basket raffle, which everyone was waiting anxiously for. It was fun to see the eyes light up as their winning ticket got called. A huge thank you to all of the departments who donated baskets! They definitely were a hit! #InThePursuitOfExcellence

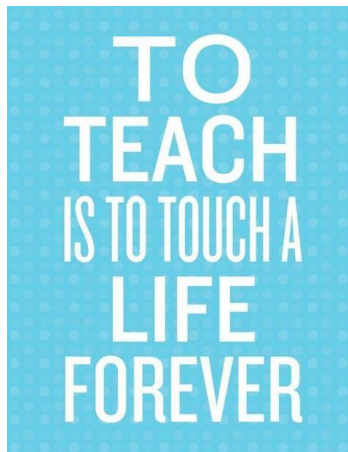

Williams Visit – Big thank you to Mr. Moreno and the custodians that ensured that our Williams Visit was successful. We passed with flying colors and had zero findings. Synergy at its finest #Teamwork

College News - Greater Knowledge: A college education will increase your ability to understand developments in society, to think critically, to express thoughts clearly in speaking and writing, and to make wise decisions. To help prepare you for college, we will continue to encourage all students to practice the skills that will pave your road to college success. COJUSD will work relentlessly in ensuring you are college ready through daily reinforcement of our Graduate Outcomes. #counselorsguide

Coaching Corner – Coaches have been in classrooms every day and have been happy with what they are seeing. They will begin their coaching cycles soon, so please consider working with them for a coaching cycle. More to come on what that entails. I am excited for the coaches to co-teach with you during the past week. Thank you for being so open to their help! #SynergyAtItsFinest

Quote of the Week:

El Monte Middle School Friday Focus
