Every Student, Every Day, Find A Way ~ FAILURE Is Not An Option!

Principal Message – It is hard to believe that we are closing fourth week. Time sure does fly! This week El Monte conducted Instructional Rounds. It was great to walk in classrooms and see the students with their binders so organized and agendas being used every day. There are some areas that we will continue working on with our students. Teachers are really focusing on ensuring that grade level content is being taught as well as students completing quality work. With high quality instruction, students will be more adept at producing quality work. With these two key components, El Monte students will exceed all expectations in front of them. #TeamworkMakesTheDreamWork

LOBO Ticket Winners – Way to go to all the students receiving LOBO tickets for making good decisions and/or wearing their lanyards. These tickets are redeemed at the student store for some very awesome prizes. Congratulations to Hilda Estrada and Isaiah Facio for being our student winners of \$10 Little Cesars cards. Also, I would like to congratulate Mrs. Cruz, Mr. Snodgrass, and Ms. Troncozo for winning our staff drawing of \$15 Starbucks Cards. These teachers have been handing out LO BO tickets to their students left and right. Let's keep encouraging our students to make good choices and wear their lanyards! When you see a student do something awesome, give them a LOBO ticket. #PBISWorks

Athletic Report – The Lobo's are off to a great start in the Fall season. The volleyball team lost a close match vs Hanford on Monday, but came game to defeat Citrus on Wed to improve their record to 3-2. The football team beat Kingsburg on Wed after a tough defeat to Hanford on Monday. Their overall record is 2-2. The Lobo tennis players continued to dominate by defeating Corcoran and Kingsburg this week. Their real challenge will come on Tuesday as they host their rivals from Dinuba. The football and volleyball teams will travel to Riverdale on Monday and will host Liberty on Wednesday. Our cross country meet will compete for the first meet of the season as they travel to Citrus on Tuesday. Come out and support your Lobos!!!!!! #SupportOurLOBOS

Coaching Corner – Coaches have been working with their first teacher in their coaching cycle. I am excited to meet with them on Monday to review their progress. Teachers have genuinely been excited to work with their coach and get great ideas from them. #SynergyAtItsFinest

Quote of the Week:

The greatest sign of
success for a teacher
is to be able to say,
"The children are now
working as if I did
not exist."
